

## INSECTICIDES

**Table generated 30<sup>th</sup> April 2007**

Products are listed below their active ingredients (which are given a code number and listed alphabetically). In addition, details of the marketing company, who can use the product and the HSE registration number, are provided. For products with two or more active ingredients, the entry is repeated for each ingredient.

Note: Symbols

W – products are undergoing withdrawal and approval for advertisement and sale have expired. Products retain approval for supply, storage and use for a short period – contact BPU for details of individual products ([biocides@hse.gsi.gov.uk](mailto:biocides@hse.gsi.gov.uk) tel: 0151 951 3535).

D – approvals for advertisement, sale, supply, storage and use have expired. Products hold approval for disposal purposes only, for a short period - contact BPU for details of individual products ([biocides@hse.gsi.gov.uk](mailto:biocides@hse.gsi.gov.uk) tel: 0151 951 3535).

S – suspension of products with respect to supply (other than for the purposes of disposal) plus advertisement, sale and use from the date stated. Provisional approval for supply (for the purposes of disposal) and storage of the product may continue until the date stated – contact BPU for details of individual products ([biocides@hse.gsi.gov.uk](mailto:biocides@hse.gsi.gov.uk) tel: 0151 951 3535).
